

FAQs

Do you do Virtual Events?

Yes. We facilitate virtual events online. Our current platform is ZOOM. Check our [“Virtual Parties”](#) tab for more information on ZOOM or Public Venue events. We also do private and public virtual events.

Can you do a private paint party at my house or other location?

Yes, we certainly can! We specialize in bringing the paint party to where you are. We will supply all art supply, aprons and table covers, but you will need to provide tables, chairs, and refreshments for your guests. There is also a travel fee associated with mobile private events.

Do you have class-time flexibility?

Yes. The paint parties are generally held on Friday, Saturday, or Sunday and occasional weekdays by appt.

Event start time can be flexible for private parties. Public parties are pre-scheduled times and cannot be changed. All events are required to have a minimum enrollment, or it will be cancelled and/or rescheduled. So, get friends and family to join you!

How early should I arrive?

It is best to arrive 15-30 minutes prior to the event start time. Arriving early will also ensure you get a good seat as we offer seats first come first serve. Also, you will be able to get your snack and beverage ahead of time.

Do I need to bring anything to the event?

Just an open mind, seeking creativity, and a friend or two! We supply all the materials necessary for painting.

How much does it cost?

Check our [pricing schedule here](#).

Is wine included? YES and NO (please read carefully)

For public venue events: Menu purchases are expected for food and beverage from the restaurant or pub - this is not included in our ticket price.

For your home event: You provide refreshments for your guests. Suggest that they bring a bottle to share.

What kind of paint do you use?

We use non-toxic acrylic paint. Acrylic paint is water-based, which means it will wash off with warm water and soap. We will provide aprons for the event, but we strongly recommend that you wear clothing that you do not mind getting a little paint on.

Do I need to paint the painting being taught?

We encourage creative expression in all forms! Feel free to modify the colors and style of the painting to match your personality or home décor.

Do I need to tip the artist or assistant?

Tips are much appreciated but certainly not expected. If you feel the artist or assistant has done a great job, then feel free to express your gratitude!

May I bring a non-painting guest to the event?

Seating is reserved for the registered attendees. We do welcome walk-in painters to pay at the door if there is space available. Non-painting guest who wish to sit with you during the even may secure a seat for \$20.00. However, this is not guaranteed, so we strongly recommend that your friends register beforehand.

Can I order food or beverages while at the event?

Absolutely! Events held at public venues, such as bars or pubs - you should arrive early to order your refreshments before we get started. Again, food and beverage are available for purchase at public venues; it is not included in our ticket price.

Can I bring children to the event?

Teens and pre-teens are okay. But keep in mind that certain adult entertainment venues may not suitable for teens. No babies or toddlers please at any adult events. We can accommodate kids at Junior paint parties.

Adult Venue (Bars and Strip Clubs): 21 and up. ID required. To respect the relationship with our venues and their policies, we require that all classes are 21+ and therefore anyone under the age of 21 may not attend restricted events. This is to ensure that we abide by the liquor licensing laws of the venues and the satisfaction of all guests attending the class.

Family Venue: Teens and pre-teen are always okay.

If you are interested in having children participate in these events, we can always service a kids party event with appropriate refreshments.

Are there any travel fees for mobile paint parties?

Yes. We are mobile and we do have a small travel fee.

TRAVEL FEES

First 5 miles is on us!

\$30 travel fee 6 to 30 miles. From 92570
